CMN10 ALLEN DULLES  
CPYRCH DONALD H. CHOI

SEOUL- OCT. 9--(TUESDAY)--INS--ALLEN W. DULLES-DIRECTOR OF THE U.S. CENTRAL INTELLIGENCE AGENCY-URGED THE FREE WORLD MONDAY TO COMBAT WHAT HE TERMED "INTENSIFIED" COMMUNIST SUBVERSION WITH AN "ADEQUATE MILITARY POSTURE."

THE CHIEF OF THE SUPER-SECRET CIA MADE THE STATEMENT AT A SEOUL NEWS CONFERENCE AFTER HE EMERGED FROM A MEETING WITH SOUTH KOREAN PRESIDENT SYNGMAN RHEE. HE ARRIVED IN SEOUL FROM TOKYO MONDAY MORNING ON THE LAST LEG OF A TWO-MONTH WORLD TOUR.

DULLES SAID HE FOUND OUT DURING HIS TRIP THAT FREE NATIONS HAVE ESTABLISHED A DEFENSE PATTERN WHICH HAS FORCED RUSSIA AND ITS SATELLITES TO "REALIZE THEY CANNOT MOVE FORWARD BY THEIR OLD TACTICS OF OPEN AGGRESSION."

"HOWEVER-" HE WARNED- "I DO NOT THINK THE COMMUNIST COUNTRIES HAVE RELAXED IN THEIR SUBVERSIVE ACTIONS AND INFILTRATIONS."

THEREFORE- DULLES DECLARED THE NON-COMMUNIST WORLD "MUST REMAIN ALERT AND BE PREPARED TO GUARD AGAINST THIS(NEW) TYPE OF AGGRESSION."

AMERICA'S TOP INTELLIGENCE OFFICIAL OUTLINED WHAT HE DESCRIBED AS THE MOST EFFECTIVE PROGRAM IN THE CEASELESS WAR AGAINST RED SUBVERSION.

THIS- HE SAID- CONSISTS OF DEVELOPMENT OF "A STRONG AND HEALTHY ECONOMY TO SATISFY THE PEOPLE WITH RISING LIVING STANDARDS- PLUS ADEQUATE MILITARY POSTURE AND WELL-TRAINED INTERNAL SECURITY FORCES."

ASKED WHETHER HE SAW ANY PROSPECT OF THE COMMUNISTS IN NORTH KOREA REOPENING THE KOREAN FIGHTING BY ATTACKING THE SOUTH- DULLES REPLIED:

"I DO NOT THINK THE COMMUNISTS WOULD INDULGE IN OPEN MILITARY AGGRESSION AT PRESENT."

HE ACKNOWLEDGED- HOWEVER- THAT "I CANNOT LOOK INTO A CRYSTAL BALL" AND PREDICT PRECISELY WHAT WILL HAPPEN IN THE FUTURE."

ON ANOTHER SUBJECT- DULLES OBSERVED THAT THE DOWNGRADING OF STALIN BY THE CURRENT KREMLIN LEADERS WAS EXERTED "OBVIOUS DISTURBING EFFECTS" ON RED SATELLITE COUNTRIES.

HE CITED THE "OPEN REVOLTS" THAT OCCURRED RECENTLY IN POLAND AND HUNGARY AS INDICATIONS OF "THE PREVAILING UNREST AND UNCERTAINTY" AMONG THE EUROPEAN SATELLITES.

THE CIA DIRECTOR NOTED THAT CHINA'S COMMUNIST HIERARCHY REMAINED OSTENSIBLY UNSHAKEN BY THE KREMLIN'S REPUDIATION OF "STALINISM." HE EXPLAINED THAT BY SAYING CHINA IS MORE POWERFUL THAN THE EUROPEAN RED SATELLITES AND FARTHER AWAY FROM RUSSIA- GEOGRAPHICALLY.

THUS- HE ADDED- RED CHINA IS ABLE TO EXERCISE "GREATER INDEPENDENCE."

DULLES IS SCHEDULED TO RETURN TO TOKYO THIS AFTERNOON FOLLOWING A VISIT TO THE WESTERN SECTOR OF KOREA'S TRUCE-SILENCED FRONT.
